

SSR activity by inviting students from Christ CMI Public School

Twenty students from class 12 of Christ CMI Public School, Kahnangad were invited to the Department of Biochemistry and Molecular Biology (BCMB) for Scientific Social Responsibility (SSR) activity. Demonstration and skill training were given to students in PCR, DNA gel electrophoresis, bright field and fluorescent microscopy. The lab visit was assisted by research scholars from the department: Ms. Greeshma, Ms. Sreelekshimi, Ms. Soorya, and Mrs. Shaharbhenu and technical staff Mr. Rajesh and Mr. Vishnu.
